

Game Operations and Merchandise Internship

Great opportunity to gain experience working for a professional sports team!

The Evansville Thunderbolts are a professional hockey team in the Southern Professional Hockey League (SPHL). Established in 2016, we are entering our 4th season. We play 28 home games at the Ford Center in Downtown Evansville.

What you will learn/ do:

- Assist Game Day Operations and Support Merchandise Store on game nights
- Positively and Professionally interact with Thunderbolts staff, fans and Ford Center staff
- Assist in the organization and activation of pregame and post-game promotions
- Help with set up before doors open
- Support activities within the arena bowl and in the background behind the scenes
- Assist individuals, clubs and organizations that come in to perform pre-game and intermission
- Prepare carpets for pre-game presentation and intermission entertainment
- Responsible for giveaways and prizes for in-game promotions and intermission events
- Confirm proper paperwork has been completed for persons to gain access to ice
- Help collect Chuck-A-Pucks from ice during 2nd intermission
- Break down items and promotions needing to be stored after game
- Assist with a few post-game activities throughout the season (jersey auction, post-game skate, etc.)
- Fold, label, stock and help inventory merchandise
- Secure items in merchandise cabinets and carts
- During the week, come to office as needed and available to help prepare for upcoming games
- Perform other tasks as needs arise
- Assist with various promotions around town if needed

What will be expected:

- College undergraduate or graduate student - can receive college credit for their internship course
- Will be paid Indiana minimum wage, \$7.25/hr
- Must be 18 years of age, out of high school
- Willing to work flexible hours, especially nights, weekends and a couple holidays
- Must be able to work the majority of the 28 home games, season runs from late October to early April
- Must be punctual, responsible, willing to work as a team, and assist staff members
